

**CORE DAYS - May 8<sup>th</sup> and 9<sup>th</sup>, 2019 - La Ronge**

Core Days will promote the minerals industry in Northern Saskatchewan. A key component to our successful industry is the northern workforce. The northern exploration and mining workforce will be recognized at Core Days through the **Long Term Service Awards**.

**Nomination form for Long Term Service Awards**

In an effort to recognize the Northern Work Force we respectfully request your assistance by putting forward names of employees that have provided 20+ years of service in Northern Saskatchewan helping to build this industry.
